About us

Vitesse (Pvt) Ltd is a multi-disciplinary engineering company servicing the Agricultural, Mining, Industrial and Petroleum Sectors. Established in February 2015, it is solely owned by a Zimbabwean family and boast of highly efficient and competent staff. Vitesse prides itself on manufacturing a diverse range of innovative, high-quality products, backed up by a prompt and efficient after-sales service. Our brand will thrive into the future to be a well-known, and trusted, Zimbabwean brand. At Vitesse, we believe in creative solutions to suit each client's need based on pro-activeness, innovation in order to build a sustainable, profitable and beneficial relationship. We develop a strong and loyal customer following, one important element about us is that our primary aim is 'to refresh' in every sense of the word - hence our slogan, 'experience a fresh change!'

PRODUCTS & SERVICES

Machining and Gear cutting

We manufacture gears, mechanical components, and complex assemblies for many of the most well-known names in mining, industrial and manufacturing. Engineering and manufacturing processes are done in house, giving us better control over lead times and responsiveness to our customer's requests.

- Shafts
- Gears
- Sprockets
- Custom bolts and nuts
- White metal bearings
- Bronze bearings

Conveyor systems

Good conveyor belts and accessories are of great importance to industrial and mining operations. Our technical experience with conveyors in different industries allows us to apply this related knowledge and skills into a sector that has little to no service back up in Zimbabwe.

- Installation
- Belt conveyors
- Chain conveyors
- Screw conveyors
- Roller conveyor
- Bucket conveyors

Hydraulics and Pneumatics

At Vitesse we supply complete Hydraulic and Pneumatic Solutions that include components and systems, expert repair, testing, and installation services. We have a dedicated team of workforce that will serve you through the entire life cycle from initial contact through to commissioning.

Fabrication and Fitting

The Company specialises in the fabrication and installation of structural steelwork and pipework. According to customer's needs, we are able to deliver a full In House package that include the following: Design, Structural Drawings, Fabrication and Erection.

- Ball mills
- Hammer mills
